

Marijuana: Medicine or Menace?

Featuring:

Dr. Siavash Jafari

MD, MHSc, FRCPC, ABAM

**Clinical Faculty, Department of Family
Medicine, UBC; Burnaby Centre for Men-
tal Health and Addiction**

Join us for an informative evening examining the risks and benefits of marijuana and its impact on our overall health. Dr. Jafari will discuss:

- **What is marijuana?**
- **How commonly it is used ?**
- **How does it work?**
- **What are the potential medical uses?**
- **What are the potential risks and impact on health?**
- **Is it addictive?**

**Free to attend;
no registration required.**

Lions Gate Hospital Auditorium

Wednesday, September 30, 2015, at 7:30 p.m.
